Classical country style villa for sale in El Madroñal, Benahavis - Marbella

El Madroñal offers qualities which become more and more rare in Marbella: exclusive villas in a wooded natural environment, low density construction, privacy, security, peace and exceptional mountain and sea views, and this all only minutes from Puerto Banús.

This villa has been built by the actual owners with a sophisticated taste and aesthetic refinement.

This country home offers a wide range of decorative and architectural interpretations that vary from truly rustic to contemporary and even avant-garde.

It is nestled among pine trees and cork oaks and enjoys open views to the sea and La Concha.

The Provence-inspired property is tastefully furnished and immaculately kept and is surrounded by several terraces and porches with BBQ area, fireplaces and sitting corners and is set in beautiful gardens with fountains and cascades.

There are many different independent and private living areas over 3 levels. A grand elegant living room with stately fireplace, a separate dining room, a cosy little reading room, a games and tv room and seven en-suite bedrooms.

The main bedroom with a magnificent fireplace flows into an en-suite large lounge/study, opulent bathroom and walk in dressing area, is really the piece de resistance of a truly remarkable home of this charming estate.
