Contemporary luxury Villas for sale on the Golden Mile, Marbella

Superb brand new development of 8 luxury villas, all with sea views, situated on the Golden Mile and next to the best beaches and hotels including Puente Romano and Marbella Club Hotel. All villas feature private pools and gardens with the best 24hr security on site.

THE PLOT:

The plots measure between 700m² and 1233m² and are private, shaded by numerous trees and plants giving each villa not only a great view, but total privacy. Situated within a gated community which also benefits from various shrubs and trees and numerous plantations.

THE VILLAS:

A choice of 8 luxury contemporary villas ranging in price between Euros 2.6m - 3.7m. The community of secure, gated residences is made up of eight completely independent and individually designed villas. Three types of villas are available, they vary in size and distribution, but all have the same specifications and finishing. Each enjoys its own styling, layout, setting, orientation and sea views, with personalized finishing and unique features that ensure every one of the homes is not only entirely independent and private, but also full of personal character, ambience and style. The ability to define the final dressing of the property makes it possible to configure the villa further to your own style, needs and preferences – to make it your perfect modern Marbella home.
