Both coastal cities are only a short drive away and offer an abundance of shopping centers, restaurants, nightlife, golf, marinas, Beach Clubs, supermarkets, transportation and other amenities.

The apartments have been designed to offer you a certain freedom to retain or remove walls - perhaps personalising a 3-bedroom property to become an immense 2-bedroom apartment with an expansive central living area or impressive master bedroom suite.

The master bedrooms have been positioned to enjoy the same Sea views as the main living areas, which combine the kitchen, dining and lounge for a maximised sense of space.
