Apartments for sale in Costalita, New Golden Mile, between Marbella and Estepona centre

We have many of apartments for sale in Costalita, a much sought after urbanization on the beach on the New Golden Mile, between Marbella and Estepona.

Costalita is an urbanization consisting of several residential complexes located between the beach and the coastal road.

Located right next to wide sandy beaches, beach restaurants, a sophisticated beach club and a promenade.

On the other side of the coastal road there are several amenities including 2 large supermarkets.

It is about a 10 minute drive to the centre of San Pedro, Puerto Banus and Estepona centre.

We have garden apartments, first floor apartments and penthouses.

From 2 to 4 bedrooms, some penthouses and first line beach apartments have sea views.

The urbanization is gated and has subtropical gardens and swimming pools.
Some complexes have an elevator and underground parking.

Because of the beach location and the reasonable purchase prices there is a good rental potential.

Prices vary greatly depending on the complex in Costalita. There are slightly older complexes without a lift and indoor parking, which are of course the cheapest. There are also more recent ones, with elevator and parking and renovated ones, which have of course a higher price. Naturally, the proximity to the beach and the view influences the price.
