For its largest part, the villa is **built on one single level** and it is entirely surrounded by a beautiful manicured garden. A **vast open plan designer kitchen** -another strength of the villa - **with top of the range appliances** (Miele, Gaggenau) also connects with the dining and living area. It comprises an enormous island with breakfast bar, an additional dining area and a pantry / hidden kitchen with separate/staff entry point.

Still on the same main floor are the well-appointed bedrooms including an impressive en-suite master bedroom with walk in closet and 4 further en-suite bedrooms.

On the lower floor there is a **spacious garage for 5 cars** with potential to add a games room. The focal point on the lower floor however is the **impressive spa area which includes a heated pool, a sauna, a steam room and a gym.**

Very large, mature tropical garden, with a beautiful lawn, mature and new plants, fruit trees, majestic palm trees and an ecological orchard.
