THE LOCATION

Frontline golf position on a beautiful 18-holes golf course at the easternmost end of Marbella, accompanied with spectacular sea views.

The entire area is known for its stunning natural beauty. It is blessed with an abundance of pine trees, protected dunes and golden sand beaches, often considered as the most beautiful ones of Marbella.

From the development it's just a very short drive to a cosy little marina which counts several bistros, boutiques, restaurants and a beach chiringuito. The protected dunes stretch from the marina for over a km in westerly direction and are totally free from residential or commercial constructions.

Several other excellent golf courses are to be found in a radius of less than 5 km.

The complex is only 10 and 15 minutes away from the centre of Marbella and Puerto Banus. In easterly direction, it is about 18 minutes to Fuengirola
