THE LOCATION

In **Sierra Blanca**, one of the most exclusive residential areas of **Marbella**, often referred to as the inland area of the Golden Mile and often dubbed the Beverly Hills of Marbella given its attractive and posh character.

Sierra Blanca enjoys a hillside location at 300 meters above sea level, and only being 2 km away from the coastline, nearly all of its luxury properties benefit from breath taking panoramic views over the valley, the Mediterranean Sea, the coastline and the surrounding mountains.

All amenities are nearby, as the Golden Mile and the centres of Marbella and Puerto Banus, with their vast choice of restaurants, boutiques, shopping centres and leisure facilities are all less than 5 minutes away by car.

The gorgeous beaches of Marbella, the Golden Mile's iconic beach promenade and the many exclusive beach clubs are less than a 5-minute drive away.

The famous La Cañada shopping centre is just a 5-minute drive away, as are many sports and high-end private medical facilities.

10 minutes to the golf courses of Nueva Andalucía.

Sierra Blanca has very easy A7 motorway access, which opens up endless possibilities to make day trips to anywhere in Andalucía, drive to other resorts and golf clubs, or reach the airport in no time.

In short, Sierra Blanca is an ideal place to live all year round.
