The architecture refers to the white Andalusian villages.

LA RESERVA DE LOS MONTEROS

La Reserva de Los Monteros is an **exclusive urbanization**, only 2 to 3 km east of Marbella city.

The urbanization extends along the beach. These beaches are very popular because of the fine golden sand and the beautiful protected dunes.

In the urban development plans of the town hall it is mentioned that the **beach promenade - in the near future** - will be extended to the centre of the city of Marbella and towards the east.

On the same beach (Playa Los Monteros) there are several water sports facilities (wind and kite surfing).

3 Renowned golf courses are less than 5 minutes' drive away, 1 of them is directly connected to the complex.

The centre of Marbella, the large shopping centre La Cañada and the main hospital Costa del Sol are about five minutes' drive away.
