Description:

Ground floor apartments feature a private garden, the penthouses come with a spacious roof terrace.

In addition, all units enjoy a spacious private swimming pool.

Vast, open and covered terraces with an 'al fresco dining' area and chill-out facilities.

Thanks to glass balustrades surrounding the terrace, one enjoys stunning views of the surrounding area towards the Mediterranean Sea.

You can choose between garden apartments or penthouses with 3 or 4 bedrooms.

The interiors are designed with an open-plan design.

The presence of room-high sliding windows creates a very bright interior.

Pocket sliding windows that disappear into the wall and provide a seamless transition between inside and outside.

Bright living space with living and dining areas.

Open, complete fitted kitchen with a seating island.

Large-format ceramic tiles.

Storage room and 2 indoor garage spaces included in the price.

At this initial stage, it is still possible to choose your own colours and materials and possibly include a bedroom in the living space.

Completion estimated October 2025
