Description:

Situated on a spacious plot, nestled among lush greenery.

New designer villa with spectacular design.

Using high-quality materials and quality finishes.

Both the interior and exterior consist of **two distinct elements: a base of green marble and an elegant canopy structure.**

A **sophisticated interior** design was composed by **minimalism, stylish designer furniture and plenty of natural light.**

Both floors enjoy **gigantic, room-high windows** that provide the abundant light.

Open-plan concept.

On the main floor, an expansive living space with 2 lounge areas, integrated dining room and open kitchen.

The kitchen features plenty of storage space and an island with breakfast bar.

On this level there are 2 pools, one of which has a floating lounge.

On the lower floor are the 6 bedrooms, each with its own bathroom and dressing room.

On this level, you enjoy a vast terrace with plenty of space for leisure facilities.

The basement also provides an **indoor, heated swimming pool with a wellness area**, a garage, a multi-purpose room and technical rooms.

Construction will start in autumn 2023 with an estimated completion time of 12-15 months.
