Description:

Collection of 17 detached luxury villas.

South orientation.

Each villa is situated on an elevated plot that is completely fenced by planted cypress trees.
Beautiful views of the surrounding nature, the golf courses and partly of the Mediterranean Sea.

Each villa is designed with a focus on modernity and comfort, with spacious interiors and high-quality finishes.

A built-in private pool in the garden, a 2nd pool on the roof terrace.

For the **roof design, there are 3 options to choose from**: an uncovered roof with transparent railing, a pergola roof with vertical slats for shade and ventilation, and a mixed roof that combines both.

Floor-to-ceiling windows provide abundant light.

Airy living space with open layout.

Sleek designer kitchen with a cooking island and quality appliances.

Integrated dining area.

The villas are equipped with **circadian lighting**, an innovative system that mimics the natural cycle of daylight, contributing to better sleep quality, increased energy levels and improved general well-being.

Holistic approach.

Energy-efficient technology and the aim of zero energy consumption.

A multifunctional room can potentially be used as an extra bedroom.

Laundry room.

Storage room.

Technical room.

Indoor garage for 2 cars.

Other features:

Lift in some villas.

Aerothermic system for heating, cooling and hot water production.

Underfloor heating.

Photovoltaic panels.

LED lighting.

Double glazing.

Glass balustrades around the terrace.

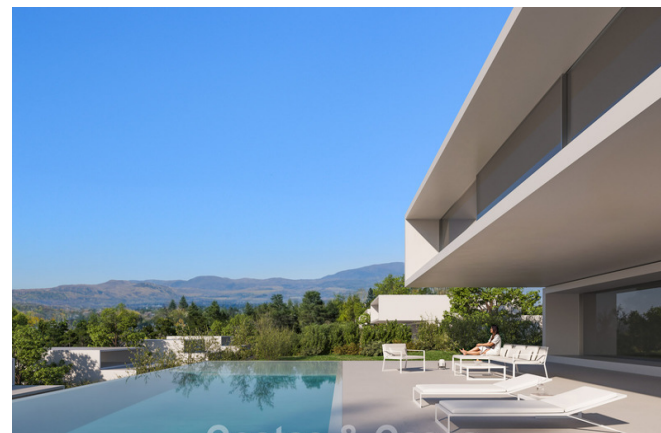

Electric blinds.

Kitchen appliances from Siemens or similar.
