THE LOCATION

Nestled in greenery, on a hillside in one of Europe's most exclusive luxury resorts: Sotogrande.

This prestigious destination is known for its **renowned golf clubs, equestrian centres and polo club.**

Sotogrande itself offers **three exceptional 18-hole golf courses**, including the legendary Valderrama, Europe's number one since the 1980s.

The **Venetian-style marina**, with its cosy restaurants and beautiful beaches, is just a 10-minute drive away.

In addition to being a golfer's paradise, the region is also a mecca for sailors and water sports enthusiasts. Gibraltar Airport is approximately 25 km away, while Malaga International Airport is 110 km away.

The resort, set in **6 hectares of land**, is surrounded by woodland and parkland with walking and cycling paths among majestic cork oaks.

Within the **secure borders? of the golf club** is the first inland chic beach club: a beach and water paradise with a stylish restaurant.

The **extensive facilities** include three swimming pools, a croquet court, a jogging track, a children's area with slides, swings and climbing frames, social areas and an outdoor lounge for events. A gym, spa and putting green will be added in the second phase.

The landscape architects have created a **harmonious design, where gardens, swimming pools, walkways and the entrance** to the residential buildings flow seamlessly into each other. Sustainability is key, with the use of native trees, plants, flowers and natural stone.

The complex is fully gated and offers a reception and concierge service at the main entrance for ultimate comfort and security.
