General:

Spacious plot situated in an elevated position, bordering the golf course.

Surrounded by lush vegetation, which provides plenty of peace and privacy.

Heated built-in private swimming pool surrounded by a sun terrace.

Outdoor kitchen with barbecue, 'al fresco dining' area and sitting area.

Several wide, overhanging terraces that protrude like layers over each other, not only give a visually impressive effect, but also provide shade and shelter.

South facing.

Views of the green fairways and the Mediterranean Sea.

Description:

The villa has a distinct minimalist architecture, characterized by clean horizontal lines and a floating effect due to the thin, cantilevered floors.

The structure harmonizes beautifully with the natural surroundings, thanks to the **open and transparent facades with a lot of glass.**

Carefully designed with attention to sustainable technologies.

The combination of water, nature and the floating architecture creates a sense of tranquility and luxury.

Floor-to-ceiling sliding windows and recessed frames ensure a seamless connection between indoors and outdoors.

Open living spaces.

A **closed chef's kitchen for staff**, ideal for culinary preparations, and an **adjacent open show kitchen** with a luxury cooking island, high-quality materials and state-of-the-art appliances, perfect for stylish cooking and socializing.

Integrated dining area.

6 bedrooms, 8 bathrooms and 2 separate toilets.

The lower floor provides a **home cinema**, 2 en-suite bedrooms, living room and **office/library**.

Fully equipped **gym** with adjacent **wellness** facilities.

Storage room. (multiple)

Indoor garage for 6 cars.

Other features:

Air conditioning for cooling and heating.

Underfloor heating in all rooms.

Geothermal system for hot water production.

Advanced self-sufficiency technologies.

Custom built-in wardrobes.

Solar panels and storage batteries, which make the villa energy self-sufficient.

Thermal insulation that eliminates energy loss.

Expected completion summer 2026.
