THE LOCATION

Location in one of the most sought-after communities of Nueva Andalucia, where **everything is within easy reach**, just a few minutes' walk from a wide range of amenities and Puerto Banus.

Within walking distance, you will find Puerto Banus, numerous popular restaurants and bars such as La Sala, supermarkets, the weekly market and a shopping centre.

Across the complex, a 1,400-metre walking and cycling path will officially open in spring 2026. The picturesque path meanders along a small river to Puerto Banus, offering an alternative route.

The beach is also a short distance away, and several well-known beach and pool clubs are located nearby.

Within just a few minutes' drive you reach various international schools, the Golden Mile, the centre of Marbella and no fewer than five golf courses in the Golf Valley of Nueva Andalucia.

Residents enjoy a communal swimming pool surrounded by communal gardens.

The complex itself will soon undergo a thorough refurbishing, which will add value.

Given its location, it has been a sought-after holiday rental property for 25 years and offers good rental returns. A concierge–handyman is available.
